

**MEETING OF THE BOARD OF PUBLIC WORKS & SAFETY  
VALPARAISO, INDIANA  
MARCH 9, 2006**

The Board of Public Works & Safety of the City of Valparaiso met on March 9, 2006 at 10:00 a.m. Present were members Dave Pilz and John Hardwick and Sharon Swihart. Mayor Costas was absent. Dave Pilz called the meeting to order and led the Pledge of Allegiance.

Dave Pilz moved that the minutes from the February 23, 2006 meeting be approved as submitted, seconded by John Hardwick and so approved.

John Hardwick moved that the claims be approved for payment subject to appropriation balances, seconded by Dave Pilz and so approved.

A request was presented from the March of Dines for a Walk-A-Thon on Sunday, April 30, 2006. All departments have looked at this and approved it. Dave Pilz moved that the request be approved, seconded by John Hardwick and so approved.

Dave Pilz presented a request to accept a Temporary Easement on the northwest corner of Campbell and Lincolnway in regard to the Campbell Street Project. Langer and Langer have donated this. Dave Pilz moved to approve the request, seconded by John Hardwick and so approved.

Carol Costakis, Park Department, presented a request for approval of directional signs at the northeast corner of Froberg and 130 and at the southwest corner of Clifford and 130. INDOT declined approval at Clifford and 130. They are next planning to go to the BZA for approval since the signs are larger than allowed. Phillips advised that they would probably have to go to the County in regard to the sign at Froberg and 130 because they have jurisdiction there since it looks like it is not within our city limits. Pilz moved to approve the request, whatever it may end up to be, seconded by John Hardwick and so approved.

The meeting adjourned.
